

PUBLIC IS HARD HIT

Four Favorites Disappoint Bettors at Benning.

BERKELEY WINS THE FEATURE

Has World of Speed and Finishes Three Lengths in Front of Smoker, the Choice-Willie Shields and James McLaughlin Each Lead Two Races—Shaw Wins on Jubilee.

Four favorites were defeated at Benning yesterday afternoon. The weather was just right and the attendance was unusually large.

The feature was a handicap at seven and a half furlongs, which was easy for Berkeley, who carried top weight, 118 pounds. McDaniel rode him and the gelding was liberally flogged at 1. P. R. Hittchcock's Smoker, ruling the choice, went from 3 to 1 to 5.

Berkeley broke in front with a world of speed and though Smoker followed gamely all the way, the former broke home with three lengths to spare. Smoker weakened near the end, but without a hard drive from Shaw, and kept the place from Animus by three parts of a length.

Willie Shields and James McLaughlin each won two races.

Servile Wins First.

Shields took the first race for players with Servile, a 6 to 1 shot. Bergen had the leg up and to the far turn Servile was outpacing, but after that he began to lose, and finally taking the lead, he drew away and won ridden on by two lengths. Kempton, who made the bulk of the race, hung on gamely and took the place from Al H. Woods. The latter dropped from the clouds in the home stretch and beat Waitebridge by the same margin. Azure Maid, the favorite, could not raise a gallop.

Shields also put Reldmore over the plate in the fifth race. The Ornament horse won in a gallop, but Reldmore was him poorly, with the result that he should have won to win by a head from Billy B. Van, who ran his best race.

McLaughlin's first success was with his speedy filly Personal, who receded to 4 to 1. She started in the second race, carried two-year-olds, and simply tin-canamed all the way in front, to win in a gallop. McCahey looking back as he reached the wire.

Al Busch Gets Place.

Shields' Al Busch, backed down to 5 and nailed the place from Balbek by a head. Dan De Noyes, 9 to 5 favorite, quit, while the Madden pair, Court Lady and Miss Granville, were always in the luck.

McLaughlin's other triumph was with Nanno, a 6 to 1 shot, who took the fourth race for fillies and mares by a head from Laura A., backed from 30 to 15. The latter came from the rack in the stretch and beat Javotte a head for the place.

Willie Shaw, who was suspended, was raised yesterday, rode a fine race on Jubilee in the third event, at six furlongs. Jubilee was heavily backed at 13 to 20. Shaw kept him under restraint, while Pauline and Giles were out in front, but when he was let down, Jubilee, who is the best three-year-old at the track, galloped off an easy winner by a length and a half. Pauline handled 115 pounds well, and she beat Giles a head for the place. McCahey rode two winners in the last two races.
